Insurance & Liability Waivers

As you plan your event, it is essential to make the appropriate insurance arrangements. All events should have liability insurance and should register with CampusConnexions (insurance provider for the UC system). If your organization is an affiliate member or local chapter of a regional or national organization, you may be able to attain insurance from them. Please contact your organization’s regional or national office to see if they will cover your campus organization. Check the CampusConnexions website to see if the event type that you are planning to hold on campus is covered under the University’s insurance policy.

Visit: campusorgs.uci.edu/liability

Applying for Insurance

- The University of California Office of the President created an insurance program to cover Registered Campus Organizations (RCOs) for most on-campus events, but RCOs are responsible for making sure their events are registered with CampusConnexions.
- This insurance is important to protect your events, participants and RCO signers. Remember signers are ultimately responsible for the RCO.
- On-campus events are categorized into low, medium, or high risk. Descriptions and more information can be seen below, but always refer to the official website when determining the risk level of your event. The Hazard Schedule can also be viewed at the CampusConnexions website.
- Off-campus events are NOT covered by the University insurance policy. Organizations are encouraged to apply, attain, and pay for insurance for off-campus events through CampusConnexions.
- Most venues including Student Center and Event Services (SC&ES) will require a certificate of insurance before reserving space for your organization.
- More info: CampusConnexions at uci.marshcampusconnexions.com or campusorgs.uci.edu/liability

- **low risk**
  - On-campus examples: meetings, speakers, luncheons
  - Your RCO does not need to register your event or apply for insurance; the University of California Office of the President (UCOP) will be paying for it automatically

- **medium risk**
  - On-Campus examples: cultural shows, dance practices and performances
  - Your RCO MUST register your event for coverage at uci.marshcampusconnexions.com
  - If you register your event online, you do not need to pay for coverage; UCOP will be paying for it automatically
  - Venues will not reserve space unless you have an insurance certificate; insurance certificates are sent to your RCO

- **high risk events**
  - On-campus examples: sports, rock climbing, etc.
  - High risk events are NOT covered by UCOP
  - RCOs MUST apply for insurance at uci.marshcampusconnexions.com and pay the premium
  - Venues will not reserve space unless you have registered your event; insurance certificates are sent to your RCO

- **off-campus events**
  - Off-campus events are NOT covered by UCOP
  - Although it is not required, obtaining insurance for off-campus events is HIGHLY recommended
  - RCOs MUST apply for insurance and pay the premium
  - More info: uci.marshcampusconnexions.com

Liability Waivers

- If your event involves sports and/or will be held off-campus, ensure that each participant reads and signs a UC Voluntary Waiver, which can be found at campusorgs.uci.edu/liability
  The PDF is editable, so make sure you add your organization and event information.
- Also, in some cases, for the insurance coverage to be effective, many types of events require participants to sign a waiver. See the Hazard Schedule.
Venues & Event Planning

Below are possible venues to reserve for Registered Campus Organizations (RCOs) along with event planning strategies. Remember only signers for RCOs can reserve facilities and most facilities require a certificate of insurance.

Food Safety & Caterers

Registered Campus Organizations (RCOs) can have food for meetings, programs, and events and also sell food for fundraising purposes. However, certain policies and regulations must be followed to guarantee food safety for your members and guests. These options include:

- Permits required when serving, distributing, or selling perishable foods to any non-RCO members (e.g. fundraising efforts on Ring Road)

Caterers

If you choose to use a caterer to deliver and service food for your RCO meetings, programs, and events, you are required to use an approved on-campus or off-campus caterer. Visit UCI Hospitality and Dining Services (food.uci.edu/catering_list) for a list of approved caterers from.

However, if you choose to use a caterer that is not on the approved caterers list, then you need to contact UCI Hospitality and Dining Services to receive an information packet to find out if the caterer is eligible to be approved. The deadline for submitting the completed Off-campus Caterer Approval packet is the 14th day of the month prior to your event. The Approved UCI Off-campus Caterer List is published on the 15th day of each month.

Funding Boards

ASUCI Student Programming Funding Board (SPFB)
Apply: campusorgs.uci.edu/funding Information: SPFB@asuci.edu
SPFB is one of the two branches a part of ASUCI funding board under the Office of the President. SPFB is comprised of funds from student fees, therefore, all events that SPFB funds must be open to the general public and target all UCI undergraduate students. SPFB does not fully fund charity events - in the case of charity events, loans may be issued. This funding board aims to maintain objectivity by operating fully on a rubric scale system and does not provide any arbitrary funds. Funding Requirements: presentation/meeting

CORE Funding Board
Apply: campusorgs.uci.edu/funding Information: coreconsultants@uci.edu
The CORE Funding Board provides smaller funding portions (less than $400 total) for registered campus organizations (RCO’s) that are planning to host smaller events and/or programs. RCOs collaborations are highly encouraged to apply. Funding Requirements: post-event evaluation

Multicultural Programs Committee Funding Board (MPFC)

About $110,000 per academic year is available for grants; any undergraduate students, organizations, or collaboratives between organizations are eligible to submit project proposals. Funding Requirements: a sustainable project for UCI

Student Initiated Academic Preparation Program (SIAP) & Outreach Sponsorship

Apply: soar.uci.edu/services/outreach-sponsorship-application (Outreach)
SIAP provides funding for projects which focus on increasing the academic achievement and development of educationally disadvantaged high school students in order to assist them in preparing for a post-secondary education. Outreach sponsorship provides funding for a one day event designed to outreach to prospective students in under-served Title 1 junior and high schools, and community colleges. Examples of events: Campus visits, campus tours, student panels, and workshops.

Tips & Strategies

- Make sure to complete a thorough and detailed application (e.g., present the entire budget and any supplemental materials)
- Review the guidelines and criteria for each funding board - check deadline and requirements
- Operating and/or any on-going general expenses will not be funded by any of these campus funding sources.
- No funding will be given for events held summer quarter
- Your events should be open to the entire UCI campus community
- Funding will rarely be given for events that have already passed
- When applying it helps to indicate that your organization has made an attempt to fundraise for your event
- Receipts for each funded program must be submitted within 30 days of the event
- For reimbursements, RCOs are strongly encouraged to establish an ASUCI Club Account
